AGENDA

UNIVERSITY OF KURDISTAN 1st IHEI ROUNDTABLE CONFERENCE

(Project Ref: 561753-EPP-1-2015-1-ES-EPPKA2-CBHE-JP)

Wednesday, 26/11/2016 – Chancellor's Office,

Project Acronym:	IHEI
Project Title:	Internationalisation of Higher Education in Iran
Activity	1st IHEI Roundtable Conference
Objectives:	The concept of higher education internationalization is an important one in this age of global knowledge economies and impacts society economically, socially and politically. Thus, the need for replacing traditional, information based teacher-directed rote learning with a new type of learning that emphasizes creating, applying, scrutinizing, and integrating knowledge and engaging in collaborative learning throughout the learning lifespan is crucial. As such, the International Relations and Scientific Cooperation Office is holding this <i>Roundtable Conference on Internationalization Strategies</i> for the University's top-level management staff members of the internationalization committee to discuss the importance of the IHEI Project and UOK's internationalization strategies. This roundtable conference is also part of the work plan for the Erasmus+ project entitled <i>Internationalization of Higher Education in Iran</i> . This gathering will offer a good opportunity for participants to put forward their views concerning internationalization strategies and get an update regarding UOK's – IRO internationalization activities so far.
Expected Results:	Good Practice transfer, innovative ideas on how to incorporate international relations as an integral part of institutional strategy and policy.
